WILD CHEERING FOR HERO

Automobile Parade Two Miles Long Precedes Diamond Contest—Daylight fireworks among the various stunts.

CHICAGO, May 17.—Six sections of temporary seats, occupied by 100 men and women collapsed before the opening of the game between the New York and Chicago teams today at Frank Chance day celebration today. The stands extended from in front of the grandstand to the ground and were not high. Miss Minnie Munnings, who fell to the pit occupied by the visiting players, was the most seriously injured. She was taken to her home.

There were more than 35,000 paid admissions to the game, a record for all but world's series contests. This was the statement of President Charles Comiskey of the Chicago club, who declared that there were probably 1,000 persons additional who came to pay tribute to Chance.

Preceded by Parade. The game which was won by Chicago, 4 to 3, was preceded by an automobile parade, two miles in length in which Governor Dunes and Mayor Harrison participated.

In the meantime a display of daylight fireworks at the park entertained the early comers, many of whom crowded into the grounds at the opening of the gates at 12 o'clock.

Chance was wildly cheered when he walked into the field at 2 o'clock. He was accompanied by "Red" Galloway, for years a fixture of the National league park, as bat-boy during Chance's regiments on the West Side. Governor Dunes presented Chance with a huge horse shoe. Troops of acrobats, contortionists and tumblers a hundred or more with a troupe of trained dogs and monkeys in entertaining the crowds before the beginning of the game. The ball players were so much interested in the trained animals that they forgot to practice and went into the game without the customary warming up.

Three hundred policemen added to the number of unpaid admissions. Their presence proved unnecessary, as there was no semblance of disorder among the crowds.

Tonight the players of both clubs were entertained at dinner at the stock yards.

Sox Take the Game.

Chicago made it three straight from New York today, defeating the visitors on Frank Chance day, 4 to 3. Pitcher Russell was in fine form and, aside from the first and last innings, was almost invincible. Manager Chance selected his star pitcher, Keating, but he went to pieces in the sixth inning when the locals bunched hits and with the aid of an error made three runs. Bunched hits and another error netted two more in the next inning and Keating retired. Kiepers' wildness in the next inning with an error and a hit netted another run. The visitors bunched hits in the first and last innings and with an error scored three runs.

The umpires were attired in white uniforms, the first time that an arbiter has appeared in the field in this regard. Governor Dunes and Mayor Harrison accompanied the Sox to the game.
